# Geocache marker icons

On the [live map](#) as well as on the list of your [stored caches](#) c:geo might show small marker icons in the corners of a [geocache icon](#) to provide additional information without the need to open the cache details.

The following table describes the meaning of these markers:

| Marker (old)  | Marker (new)  | Name                          | Description  |
|---|---|-------------------------------|--|
| Upper-Left  |   |                               |  |
|    |    | Found                         | You have already found this geocache.  |
|    |    | Did not find                  | You have a "Did not find" log for this geocache either posted online in the past or stored offline in c:geo.   |
|    |    | Offline Found Log             | You have stored an offline found log for this geocache but not yet submitted this log online.  |
|    |    | Offline Note Log              | You have stored an offline note log for this geocache but not yet submitted this log online.<br>This status will only be shown as long as the log is offline.  |
|    |    | Offline Needs Maintenance Log | You have stored an offline "Needs maintenance" log for this geocache but not yet submitted this log online.<br>This status will only be shown as long as the log is offline.   |
|    |    | Offline Owner Maintenance Log | You have stored an offline "Owner Maintenance" log for this geocache but not yet submitted this log online.<br>This status is specific for cache owners and will only be shown as long as the log is offline.  |
|    |    | Offline Needs Archived Log    | You have stored an offline "Needs archived" log for this geocache but not yet submitted this log online.<br>This status will only be shown as long as the log is offline.  |
|    |    | Offline Unknown Log           | You have stored an offline log of a special or unknown type for this geocache but not yet submitted this log online.<br>This status will only be shown as long as the log is offline.  |
|  |  | Will attend                   | An event cache that you posted a "Will attend" log on.   |
| Upper-Right   |   |                               |  |
|  |  | Stored                        | This geocache is stored offline in one of your lists.<br>This marker is only shown on the map but not in your lists, as it is logical that all caches in your lists are already stored.                   |
|  |  | Owned                         | This is one of your own geocaches.   |
| Lower-Left  |   |                               |  |
|  |  | Personal note                 | A personal note is stored for this geocache.   |
| Lower-Right   |   |                               |  |
|  |  | Modified coordinates          | The coordinates of this cache have been modified from the original listing coordinates (either from within c:geo when defining a waypoint or from the geocaching services website). The cache is now shown at the new coordinates on the map. A useful feature for solved mysteries or multis. |
|  |  | Has "Final" waypoint          | This cache has a "Final" waypoint defined but no modified coordinates. The cache is shown at the original coordinates on the map.  |
|   |  | Visited waypoint              | A waypoint that has been marked as visited.  |
