Sobre o c:geo

This page will show you various information about c:geo.

The page is organized in six different tabs, which you can access by swiping from left to right or vice versa:

Tab	Content
Version	Information about the currently installed version number and a link to donate to c:geo development.
Help	Containing a collection of helpful links to external resources.
Change Log	Information about the changes in the current version.
System	Contains a collection of information to be used in case you want to contact our support. You can use the buttons on this tab to copy the system information to your clipboard or directly send a mail containing it.
Contributors	A list of people and resources helping to develop c:geo.
License	The license terms under which c:geo is distributed.
